80	ref1	REF: God has given humanity a complete, unfailing guide to happiness and salvation, which must be totally followed.
81	ref2	REF: When you get right down to it, there are only two kinds of people in the world: the Righteous, who will be rewarded by God; and the rest, who will not.
82	ref3	REF: All of the religions in the world have flaws and wrong teachings.
83	ref4	REF: No single book of religious writings contains all the important truths about life.
84	ref5	REF: It is more important to be a good person than to believe in God and the right religion.
85	ref6	REF: To lead the best, most meaningful life, one must belong to the one, true religion.
86	ref7	REF: The fundamentals of God's religion should never be tampered with, or compromised with others' beliefs.
87	ref8	REF: There is a particular set of religious teachings in this world that are so true, you can't go any 'deeper' because they are the basic, bedrock message that God has given humanity.
88	ref9	REF: Whenever science and sacred scripture conflict, science must be wrong.
89	ref10	REF: The basic cause of evil in this world is Satan, who is still constantly and ferociously fighting against God.
90	ref11	REF: 'Satan' is just the name people give to their own bad impulses. There really is no such thing as a diabolical 'Prince of Darkness' who tempts us.
91	ref12	REF: There is no body of teachings, or set of scriptures, which is completely without error.
92	ref13	REF: Scriptures may contain general truths, but they should NOT be considered completely, literally true from beginning to end.

93	ref14	REF: What do you personally think? Should people who cause harm and do evil in the eyes of God be killed?
94	ref15	REF: It is important to 'love the stranger as yourself'.
95	ref16	REF: It is important to shop as much as possible at stores owned by people of my faith.
96	ref17	REF: It is important to keep company with other people of my faith.
97	ref18	REF: The course of our lives is decided by God.
98	ref19	REF: Life is only meaningful if you provide the meaning yourself.
99	ref20	REF: My religion offers the only true path to Heaven.
100	ref21	REF: God has a plan and I have a part to play in it.
101	ref22	REF: It is not necessary for a person to believe in God in order to be considered a true citizen.
102	ref23	REF: In this country, people have equal, divinely given rights to life, freedom, and a search for happiness.
103	ref24	REF: In my country, freedom comes from God through our system of government by the people.
104	ref25	REF: The creation of our laws has been guided by God.
105	ref26	REF: Do you think there is a natural conflict between the teachings of Islam (your religion) and democracy, or don't you think so?
106	ref27	REF: Do you think there is a natural conflict between being a devout religios follower and living in a modern society, or don't you think so?
107	ref28	REF: Women have the right to compete with men in every sphere of activity
108	ref29	REF: A woman who refuses to give up her job to move with her husband would be to blame if the marriage broke up.

109	ref30	REF: Profanity sounds worse generally coming from a woman.
110	ref31	REF: Christians [Muslims] should return to the roots of Christianity [Islam].
111	ref32	REF: There is only one interpretation of the Bible [the Quran] and every Christian [Muslim] must stick to that.
112	ref33	REF: The rules of the Bible [the Quran] are more important to me than the laws of [survey country].
113	gex1	GEX: It is better for government leaders to make decisions without consulting anyone.
114	gex2	GEX: People in government must enforce their authority even if it means violating the rights of some citizens.
115	gex3	GEX: Under some circumstances, a nondemocratic government can be preferable.
116	gex4	GEX: A concentration of power in one person guarantees order.
117	gex5	GEX: The government should close communication media that are critical.
118	gex6	GEX: A totally ethical and moral political leader should be allowed to decide on everything.
119	gex7	GEX: It is necessary to do away with the democratic form of government if we want to have a decent society.
120	gex8	GEX: The media should be able to report news without state censorship.
121	gex9	GEX: Political leaders can ignore minority groups if they are supported by the majority.
122	gex10	GEX: Despite drawbacks, democracy is the best system of government.
123	gex11	GEX: A strong non-democratic leader that does not bother with parliament and elections is a good way of governing your country.
124	gex12	GEX: Democracy allows for the government to ensure law and order.

125	gex13	GEX: (Country) should abolish elections and experts should lead us.
126	gex14	GEX: In important cases, judges should accept the decisions of the executive.
127	gex15	GEX: Society becomes chaotic if there are too many different ways of thinking.
128	gex16	GEX: Political leaders must be able to tolerate those who question their beliefs.
129	gex17	GEX: People should be able to say what they want without state censorship.
130	gex18	GEX: Opposition parties should be able to operate freely.
131	gex19	GEX: I prefer a non-democratic government that pursues a policy I agree with, rather than a democratically elected government whose policies I oppose.
132	gex20	GEX: People whose opinions are different than those of the government must be considered its enemies.
133	gex21	GEX: Just let the rest of the society choose democracy - I, and those who think like me, work to establish up a different system in our own milieu.
134	gex22	GEX: (Country) now needs a strong party which embodies the people's community.
135	gex23	GEX: The most important characteristics anyone should have include obedience and respect of superiors.
136	gex24	GEX: A rule by experts/technocrats is a good way of governing your country.
137	gex25	GEX: Democracy is a Western form of government that is not compatible with Islam.
138	gex26	GEX: During a crisis, government does not need not obey the law.
139	gex27	GEX: Government can't accomplish great things if always checked by legislature.
140	gex28	GEX: Women should have the same rights as men.

141	gex29	GEX: Honest elections should be held regularly with a choice of at least two political parties.
142	gex30	GEX: I would support a political system governed by a strong authority which makes decisions without considering electoral results or the opinions of the opposition.
143	gex31	GEX: I would support a political system governed by religious leaders.
144	gex32	GEX: I would support a political system governed by the army.
145	gex33	GEX: It is fair that the government does not comply with the law when it thinks it is not necessary.
146	gex34	GEX: If the president does not agree with Congress, he/she should dissolve it.
147	gex35	GEX: It is wrong and immoral to live peacefully side by side with people who don't live the good and correct life.
148	gex36	GEX: Those who do not act radically cannot realize the true ideals in politics.
149	gex37	GEX: In politics, there is only true and false. That's why you can't compromise.
150	gex38	GEX: In the national interest, a dictatorship is the better form of government under certain circumstances.
151	gex39	GEX: There has to be someone again who says where things stand in politics.

196	lrscale	Left-Right Self-Placement Scale
197	lrscale_pt1	Left-Right Self-Placement Scale (Pretest 1)
198	rwr1	RWR: We should have the courage to have a strong sense of national consciousness.
199	rwr2	RWR: The federal republic has become 'too foreign' to a dangerous extent due to all the foreigners here.
200	rwr3	RWR: Jews work more with evil tricks than others in order to get what they want.
201	rwr4	RWR: Jews simply have something special and peculiar about them and do not really fit in with us.
202	rwr5	RWR: Foreigners and asylum seekers are the ruin of (country).

203	rwr6	RWR: Actually, (country) are inherently superior to other people.
204	rwr7	RWR: We should make sure we keep (nationality) pure and prevent nations mixing.
205	rwr8	RWR: The world would be a better place if people from other countries were more like (country).
206	rwr9	RWR: (Country) now needs a strong party which embodies the people's community
207	rwr10	RWR: We should have a leader who governs (country) with a strong hand for the good of everyone.
208	rwr11	RWR: If it were not for the Holocaust, Hitler would today be regarded as a great statesman.
209	rwr12	RWR: The crimes of National Socialism have been greatly exaggerated in the history books.
210	rwr13	RWR: National Socialism also had its good side.
211	rwr14	RWR: When jobs become scarce, foreigners should be sent back to the countries they came from.
212	rwr15	RWR: Even today, the influence of Jews is still too great.
213	rwr16	RWR: There is precious and not precious life.
214	rwr17	RWR: I sometimes feel like an outsider in my own country due to the many Muslims here.
215	rwr18	RWR: Whites are, rightly so, leading in the world.
216	rwr19	RWR: Many things done out of patriotism and nationalism have caused more harm than good.
217	rwr20	RWR: What (country) needs is a tough and energetic enforcement of (country's) interests in the world rather than listening to the interests of foreign countries.
218	rwr21	RWR: In the national interest, a dictatorship is the better form of government under certain circumstances.
219	rwr22	RWR: The primary goal of German policy should be to give Germany the power and authority it deserves.

220	rwr23	RWR: The foreigners only come here to take advantage of our welfare state.
221	rwr24	RWR: Just like in nature, the strongest should always prevail in society.
222	rwr25	RWR: Crimes should be punished more severely.
223	rwr26	RWR: To preserve law and order, we should be tougher on outsiders and troublemakers.
224	rwr27	RWR: The most important characteristics anyone should have include obedience and respect of superiors.
225	rwr28	RWR: We need someone again who can provide direction in politics.
226	rwr29	RWR: The disputes between the various interest groups are detrimental to the people as a whole.
227	rwr30	RWR: Elections are only good if they do not put leftists in power.
228	rwr31	RWR: Other nations may have achieved important things, but they do not come close to German achievements.
229	rwr32	RWR: We spend too much effort on the care and support of the disabled.
230	rwr33	RWR: Mentally ill people should be forbidden to have children.
231	rwr34	RWR: Women should once again focus more on the role of wife and mother.
232	rwr35	RWR: For a wife, helping her husband with his career should be more important than having a career herself.
233	rwr36	RWR: Discrimination against women is still a problem in (country).
234	rwr37	RWR: Current employment policies disadvantage women.
235	rwr38	RWR: We take too much notice of failures in our society.
236	rwr39	RWR: The many Muslims here sometimes make me feel like a stranger in my own country.

237	rwr40	RWR: Muslims should be prohibited from immigrating to Germany.
238	rwr41	RWR: The groups that are at the bottom in our society should stay at the bottom.
239	rwr42	RWR: There are groups in the population that are worth less than others.
240	rwr43	RWR: Aussiedler should be better off than foreigners because they are of German descent.
241	rwr44	RWR: I am proud to be German.
242	rwr45	RWR: Most long-term unemployed people are not really interested in finding a job.
243	rwr46	RWR: If you can't find a job after being unemployed for a long time, it's your own fault.
244	rwr47	RWR: I find it outrageous when the long-term unemployed make a comfortable life for themselves at the expense of society.
245	rwr48	RWR: The long-term unemployed should be required to perform community service.
246	rwr49	RWR: The long-term unemployed should only receive money from the state if they are willing to accept any job.
247	rwr50	RWR: I would like to see a Germany in which the German people finally have their say again.
248	rwr51	RWR: Germans are superior to other peoples.
249	lwr1	LWR: A decent life is only possible under a socialist government.
250	lwr2	LWR: Capitalism is ruining the world.
251	lwr3	LWR: Fascism shows the true face of capitalism
252	lwr4	LWR: The (nationality) immigration policy is racist.
253	lwr5	LWR: The persecution of and spying on left-wing system critics by the state and police is increasing.
254	lwr6	LWR: National states should be abolished.

255	lwr7	LWR: Capitalism inevitably leads to poverty and hunger.
256	lwr8	LWR: There shouldn't be any (nationality) interests.
257	lwr9	LWR: The increasing intensification of internal security will lead to a dictatorship.
258	lwr10	LWR: It should be possible to also use violence to fight Nazis.
259	lwr11	LWR: The most important businesses need to be nationalised.
260	lwr12	LWR: The federal army must be equipped with the latest weapons.
261	lwr13	LWR: Right-wing extremism can be found everywhere in society and not only in small fringe groups.
262	lwr14	LWR: Freedom of expression and the right to demonstrate should not apply to right-wing extremists.
263	lwr15	LWR: Deeply rooted racism can be seen everywhere in daily life.
264	lwr16	LWR: (Country) should, in principle, take in everyone who wants to come here.
265	lwr17	LWR: Our democracy is not a real democracy because the economically powerful determine everything.
266	lwr18	LWR: A real democracy is only possible without capitalism.
267	lwr19	LWR: Socialism is a good idea which has until now only been put into practice badly.
268	lwr20	LWR: Right-wing parties and comradeships should be banned.
269	lwr21	LWR: In some circumstances a war is necessary to get justice.
270	lwr22	LWR: The federal army should be vehemently scaled down.
271	lwr23	LWR: American imperialism is the real danger to world peace.

272	lwr24	LWR: Real democracy is only possible when there is no more capitalism.
273	lwr25	LWR: Only the powerful economic interests benefit from globalization.
274	lwr26	LWR: I think it is terrible how the Palestinians are trying to destroy the state of Israel.
275	lwr27	LWR: It is unjust for Israel to take land away from the Palestinians.
276	lwr28	LWR: Israel is waging a war of extermination against the Palestinians.
277	lwr29	LWR: Those who do not act radically cannot realize the true ideals in politics.
278	lwr30	LWR: In politics, there is only true and false. That's why you can't compromise.
279	lwr31	LWR: Group and association interests should be subordinated unconditionally to the common good.
280	lwr32	LWR: The socialist ideals of society will one day prevail.
281	lwr33	LWR: The plundering of the Third World by the capitalist industrialized countries must be stopped.
282	lwr34	LWR: Capitalism must be overcome in order to abolish the rule of a small minority over the large majority.
283	lwr35	LWR: Capitalism inevitably leads to warfare.
284	lwr36	LWR: Neighborhood and housing modernization in Germany serves only to increase profits.
285	lwr37	LWR: I see the danger of a new fascism in Germany.
286	lwr39	LWR: Our parliamentary democracy is not a real democracy, because the economy and not the voters have the say.
287	lwr40	LWR: (Parliamentary) democracy and fascism are two sides of capitalism.
288	lwr41	LWR: Reforms will not improve living conditions - we need a revolution.

289	lwr42	LWR: The political center labels its critics as extremists.
290	lwr43	LWR: The equality of all people is more important than the freedom of the individual.
291	lwr44	LWR: German police protect right-wing extremists and fight leftists.
292	lwr45	LWR: The judiciary and the police are instruments of the rulers.
293	lwr46	LWR: In the future, no more euros may be spent on the military.
294	lwr47	LWR: Run-down neighborhoods rich in tradition should be comprehensively renewed, even if this means that some of the existing tenants have to move.
295	lwr48	LWR: Culturally challenged neighborhoods suffering from an economic downturn should not be subject to extensive redevelopment and restructuring under any circumstances.
296	lwr49	LWR: International organizations are taking too much power away from the German government.
297	lwr50	LWR: The use of military forces is sometimes necessary to bring about peace.
